

School Performance Report Notice

A School Performance Report will consist of the following information:

1. Indicators of achievement, including the performance of students on state-required reading and subject area tests.
2. Other indicators of school and school district performance, including dropout, attendance, retention in grade and graduation rates; percentage of habitual truants; percentage of students participating in extracurricular activities and community activities and advanced placement courses; percentage of graduates enrolled in postsecondary education programs; and percentage of graduates entering the workforce.
3. Student suspension/expulsion data.
4. Staffing and financial data information, as determined by the state superintendent, not to exceed ten (10) items.
5. The number and percentage of resident students attending a course in a nonresident school district, and the courses taken by those students.
6. The method of reading instruction used in the school district and the textbook series used to teach reading in the school district.

Each parent or guardian of a child attending the Norwalk-Ontario-Wilton School District has the right to request a school and school district performance report.

Also, by request by the parent or guardian of each student enrolled in the Norwalk-Ontario-Wilton School District, the district will distribute a school or school district performance report that includes information specified above, or give the report to each student to bring home to his/her parent/guardian. The report will also include a comparison of the school district's performance in items 1 through 3 above with the performance of other school districts in the same athletic conference in those same item groups.

Because of the COVID-19 pandemic state required assessments were waived for the 2019-20 school year. Any state assessment performance data included in the school and school district performance reports required under section 115.38 for the 2020-21 school year will be assessment data from the 2018-19 school year.
